Topic & Speaker

Grace:

It's More Than a Table Prayer

Do you understand grace? If so, you'd be one of the few. Grace is not so much something to be "understood" and "analyzed" as it is to be "received," "rejoiced in," and "amazed by." God's grace is so much more than theological formulas or "church speak." It's a powerful, dynamic, life changing gift. Grace is about freedom, life, and hope and yet most of us find it incredibly difficult to live a "grace-ful" or a "gracious" life. As we consider "God's Grace" together we'll study what grace is, where it comes from, why it matters, what it means to live "IN" grace on a daily basis, and we'll even talk about grace "abuse."

Pastor Ken serves as the Senior Pastor at Trinity Lutheran. Pastor Ken has been married to his wife Sue for 23 years and they are the proud parents of two outstanding young adults; Matt who is 18 and Amy who is 16. Pastor Ken has never written or published anything that he can boast about or that makes him appear smarter than he really is. He does, however, boast about Jesus, University of Michigan football, and he occasionally lies about the quality of his golf game. Pastor Ken is excited and honored to be serving at Camp Arcadia for the second time.

Housing

Guests stay in our recently renovated lakeside two-story Inn. Each of the 40 beautiful bedrooms has a new sink with shared

bathrooms down the hall. Five cottages and four second floor rooms with private bathrooms are

available for an additional cost. Bed linens, towels, and washcloths are provided for all guests.

Camp Facilities

Camp Arcadia's three main buildings are located around a central patio area on Lake Michigan's shoreline. All buildings have been

recently renovated. Guests of all ages enjoy Camp's large game room with ping-pong, pool and foosball

tables along with card tables, indoor shuffleboard and indoor kid's bowling and a piano. Outdoors there are

softball and soccer fields, basketball, tennis and shuffleboard courts, an archery range, a challenge

course and hiking trails.

Meals

Guests eat three delicious meals daily in our charming Inn Dining Room. All meals are served "family style" and feature local produce

(Arcadia is located in orchard country!), healthy entrees, and homemade breads and desserts. Camp

offers "kids meals" to better serve our youngest guests.

Activities

Guests will have the opportunity to be as active as they want or just relax and enjoy the beautiful setting. The camp staff will organize

activities such as volleyball, softball, archery, kids' games, story time, craft classes and a family patio

carnival. You can play tennis, kayak, hike along the beach and through the forest, watch the sun set over

Lake Michigan, see area sights like the Sleeping Bear Dunes National Lakeshore, shop at local resort

villages, play golf at area championship courses, enjoy ice cream at Camp Arcadia's Trading Post,

and relax as you read a book or take a nap in one of our Adirondack chairs.

What keeps them coming back?

The mouth-watering meals in the Inn dining room? The gracious service of the summer staff? The extraordinary lakeshore and woodland surrounds? The

memorable programming filled with softball games, archery

tournaments, and Bible studies led

by outstanding speakers?

Likely all these things plus the

unique experience of spending

time within a Christian

community that plays, learns,

eats, relaxes and worships

together. Camp Arcadia's

mission is to renew and

refresh the spirit, mind, and

body amid the beauty of God's creation and in fellowship with other Christians.

Life is busy and hectic. At

Arcadia you step back into a

simpler time ... no ringing

phones or buzzing televisions.

Enjoy a quiet walk through a

pine forest, search for colorful

stones along the beach, watch

another breathtaking sunset

unfold over the lake, meet new friends and enjoy

fellowship. Labor Day weekend is one last

opportunity to enjoy the summer before autumn

arrives. Spend it at Camp Arcadia and enjoy one

of the most memorable vacations of your life!
